The Constitution of the State of New York

ARTICLE XIII

PUBLIC OFFICERS

[Oath of office; no other test for public office]
Section 1. Members of the legislature, and all officers, executive and judicial, except such inferior officers as shall be by law exempted, shall, before they enter on the duties of their respective offices, take and subscribe the following oath or affirmation: "I do solemnly swear (or affirm) that I will support the constitution of the United States, and the constitution of the State of New York, and that I will faithfully discharge the duties of the office of ……, according to the best of my ability;" and no other oath, declaration or test shall be required as a qualification for any office of public trust... except that any committee of a political party may, by rule, provide for equal representation of the sexes on any such committee, and a state convention of a political party, at which candidates for public office are nominated, may, by rule, provide for equal representation of the sexes on any committee of such party. (Amended by Constitutional Convention of 1938 and approved by vote of the people November 8, 1938.)

There is NO record of the unduly oath administered by Charles E. Schumer on file with the NYS Department of State in accordance with either SECTION 10 Official oaths of the Public Officers Law or 4 U.S. Code § 102 - Same; by whom administered as required by both of those state and federal laws.

In truth, this fraudulent oath, wa a ruse de guerre (Black's Law Dictionary Revised 4th ed (Hereinafter Black's 4th) — page 940, administered by a true Svengali, and master of necromancy, CHARLES E. SCHUMER and his willful witch, LETITIA ANN JAMES working in concert mocking the solemnity of the occasion before invoking "so help me God," creating an illusion of legitimacy in a made for TV moment for the FAKE News Media, propaganda partners. The evidence of that statement is the certified oath of office signed on December 20, 2022 (shown below.)

Letitia James Sworn In As New York State Attorney General

"January 1, 2019 ALBANY, NEW YORK -- Just before midnight, Letitia James was officially sworn in as the 67th Attorney General for the State of New York. In a ceremony held at the State Capitol in Albany, Attorney General James took the oath of office and committed to protecting the values and interests of all New Yorkers.

"It is the highest honor to officially begin my time as the Attorney General for the great state of New York. Tonight, I made a commitment to use the rule of law to protect the rights and advance the interests of all New Yorkers, and I will never waver in upholding that promise. New Yorkers in every corner of our state must know that they have a champion fighting for them everyday," said **New York State Attorney General Letitia James.**

Following the official swearing in at the Capitol in Albany, **Attorney General James will participate in the inauguration ceremony on Ellis Island on January 1st.** She will also host several informal meet and greets throughout the State to connect with New Yorkers and introduce them to the office and her priorities."

Noting: That the above information is still posted on the ag.ny.gov webitse as of Augaust 4, 2024 and makes NO metion of the name of the Judge that alledgly administered the oath of office (shown in the image above) on file with the NYS Department of State. LETITIA ANN JAMES is a habitual offender of releasing self grandising propaganda to feed the FAKE News Media, the above malversation is just another examlpe because the certified document shown below was signed by LETITIA ANN JAMES and noterized on December 18, 2018, filed with the NYS/DOS on December 24, 2018. In doing so LETITIA ANN JAMES could use public expenders in her ruse de guerre facilitated on Elles Island on January 1, 2019, using her personal preacher, Anthony L. Trufant (a coram non judice) in the administration of a unduly oath using a nom de guerre of her own croupt creation LETITIA A. JAMES designed to create an illusion of legitimacy to illegitimate act in another manufactured made for TV moment gobbled up by the FAKE News media for public dissemination and deception. There is a pattern emerging here, commonly refured to as a motis operand die,

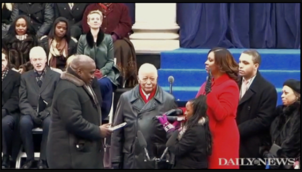
January 1st Ellis Island, New York, Preacher Anthony L. Trufant (Coram Non Judice) Administers the oath of office to LETITIA A. JAMES (Nom de Guerre) who did solemnly swear that she would support the Constitution of the United States, and the Constitution of the State of New York, and that she would faithfully discharge the duties of the office of Attorney General of the State of New York, according to the best of her ability. So help her God.

There is NO record of this unduly oath on file with NYS/DOS as required by law. Its another ruse de guerre used to create an appearance of ecclesiastical and lawful legitimacy, done in the presents of the Governor Andrew M. Coumo and Jamet M. Difiore the Chief Judge of the State of New York and the Chief Judge of the Court of Appeals, and hundreds of other oath takes who did NOTHING to prevent the this fraudulent fiasco from proceeding, all of whom have violated their own oaths of allegiance



January 1, 2014 City Hall, NYC Preacher Anthony L. Trufant (Coram Non Judice) Administers a fictitious oath of office to LETITIA JAMES (nom de guerre) who did solemnly swear that she would support the Constitution of the United States, and the Constitution of the State of New York, and the Charter of the city of New York, and that she would faithfully discharge the duties of the office of Public of Advocate, according to the best of her ability. So help her God.

Under § 10 of the Plublic Officers Law this oath fictitious was required to be on file with the office of City Clerk, something I have NOT be able to confirm because the office of city Clerk refused to provide ne with any more oaths because very on the have provide is fraudulent, because that office unconstitutional requires an oath that includes allegiance to the charter of the city of New York, Alought I was able find a copy of that fraudulant oath on file with the NYS/DOS

January 6, 2019 There is NO record of the this unduly oath of office administer by the former United States AG, Lorretta Lynch (a coram non judice) on file with the NYS/DOS it's just another rude de guerre fed to the FAKE News media morons for public dissemination and deception.

The above image was published by the Daily Mall on August 10, 2020, "NY AG Letitia James lied about her age for a decade (she's 61), supported 'phony' settlement deal for Harvey Weinstein's victims and had her sights set on NRA years ago when she called it a 'terror organization'"

The Constitution of the State of New York, Article VIII Section 1

Analysis and Interpretation

1.) **Legal Compliance**: Primarily, constitutional interpretation is a question of ascertaining the meaning of the words used. No word or clause can be rejected as superfluous or meaningless, but each must be given its due force and appropriate meaning (Knowlton v. Moore, 178 U. 8. 41, 87 [1900].) Any deviation from the exact wording of the oath invalidates the legitimacy oath and the individual holding the office. Even the most the de minimus alteration or abridgment of the text dilutes and or distorts the intent prescribed by the People, thus rendering that oath outside the mandate of the constitution and void ab initio.

2.) **Preservation of Intent:** Words are to be taken in their natural and obvious sense, and not in a sense unreasonably restricted or enlarged. (Pollock v. Farmers Loan & Trust Co., 158 U. 8. 618 [1895]) The specific language used in the oath of office is carefully crafted to reflect the solemn commitment and responsibilities that come with holding public office to the mandates of the people. Words are to be taken in their natural and obvious sense, and not in a sense unreasonably restricted or enlarged."

3.) **Constitutional Foundation**: The oath of office serves as a foundational element in upholding the principles by adhering strictly to the verbatim text, individuals affirm their allegiance to these fundamental documents and demonstrate their commitment to upholding the rule of law.

4.) **Accountability and Trust:** The taking of oath of office is a solemn pledge to fulfill these duties with integrity by adhering precisely to the prescribed wording of the oath to the mandated by Vote of the People.

In Conclusion: [T]he interpretation of the Constitution of the of the State of New York is necessarily influenced by the fact that its provisions are framed in the language of the English common law, and are to be read in the light of its history. (Ratification of the Constitution by the State of New York; July 26, 1788.) The constrution of Article VIII, Section 1, leaves NOTHING to construe, the words; take and subscribe the following oath or affirmation, and no other oath, declaration or test should be required as a qualification for any office of public trust, are to be given the meaning they have in common use in ascertaining the meaning of those words used. The constitution is a written estimate, as such as meaning does not alter. (South Carolina v. United States 190 U.S. 437, 448, 449 1905.)

New York State Court of Appeals; Disobedience or evasion of a constitutional mandate may not be tolerated even though such disobedience might, perhaps, at least temporarily, promote in some respects the best interests of the public. (In Sloat v. Board of Examiners, 274 N.Y. 367.)

There is NO Record of the oath administered by attorney & United States Senate, Majority Leader, Charles E. Schumer on file with the New York Department of State as required — In willful vilation of the following statutes:

4 U.S. Code § 102 - Same; by whom administered

Such oath may be administered by any person who, by the law of the State, is authorized to administer the oath of office; and the person so administering such oath shall cause a record or certificate thereof to be made in the same manner, as by the law of the State, he is directed to record or certify the oath of office.

SECTION 10 Official oaths of the Public Officers

(PBO) CHAPTER 47, ARTICLE 2

§ 10. Official oaths. Every officer shall take and file the oath of office required by law... The oath of office of every state officer shall be filed in the office of the secretary of state.

5 U.S. Code § 3331 - Oath of office

An individual, except the President, elected or appointed to an office of honor or profit in the civil service or uniformed services, shall take the following oath: **"I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely**, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." This section does not affect other oaths required by law.

As a United States Senator, Clarles E. Schumer did solemnly swear that he will support and defend the Constitution of the United States against all enemies, foreign and domestic, and that he would bear true faith and allegiance to the same. Therefore it is this patriot' s contention that, **Charles E. Schumer** wilfully violated his oath of office and this was NOT the frist instance.

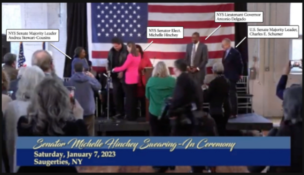
There is NO Record of that oath administered by attorney & United States Senate, Majority Leader, Charles E. Schumer to LETITIA ANN JAMES on file with the New York Department of State — In willful vilation of the following statutes:

4 U.S. Code § 102 - Same; by whom administered
Such oath may be administered by any person who, by the law of the State, is authorized to administer the oath of office; and the person so administering such oath shall cause a record or certificate thereof to be made in the same manner, as by the law of the State, he is directed to record or certify the oath of office.

SECTION 10 Official oaths of the Public Officers
(PBO) CHAPTER 47, ARTICLE 2
§ 10. Official oaths. Every officer shall take and file the oath of office required by law... The oath of office of every state officer shall be filed in the office of the secretary of state.

5 U.S. Code § 3331 - Oath of office
An individual, except the President, elected or appointed to an office of honor or profit in the civil service or uniformed services, shall take the following oath: "**I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely**, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." This section does not affect other oaths required by law.

As a United States Senator, Clarles E. Schumer did solemnly swear that he will support and defend the Constitution of the United States against all enemies, foreign and domestic, and that he would bear true faith and allegiance to the same. Below are two other examples where CHARLES E. SCHUMER failed to defend the either the State or Fereral Constitutions for more that a decade the evidence is damming and conclusive. SCHUMER should be on trial for treason as an enemy combatant held within the confines of GITMO.



This fictitious oath of office is repugnant to: the Constitution of the State of New York Article XIII Section 1 , SECTION 10 Official oaths of the Public Officers Law, 4 U.S. Code § 101 - Oath by members of legislatures and officers and 4 U.S. Code § 102 - Same; by whom administered In the presents of the sworn

January 19, 2014 Eric Leroy Adams took a fictitious and fraudulent oath of office to become the Brooklyn, Borough President in the presents of many prominent democrates including United State Senator, CHARLES E. SCHUMER, New York City is the cernter of communisum in America. And this oath takers as mentioned above, all of whom have violated their own individual oaths to support and or defend the Constitutions both State and Federal as the case maybe.

fictitious oath is treasonous to the core. To the best of my knoknowledge Eric Leroy Adams has NEVER taken a lawful oath of office in accordance with the Constituiton.
